

VIRTUAL FIELD TRIP

Experience Betsy's story in a whole new way!

All Historic Philadelphia programs are based on our mission of offering authentic history, and grounded in education and unique interpretive programming.

YOUR VIRTUAL PACKAGE INCLUDES:

Virtual Tour

Take a tour of the home of America's most famous flag maker, without leaving your classroom! Follow Betsy through her house as she tells stories about her meeting with George Washington, her risky experience sewing the flag, and the other upholstery work she did throughout her life. Your virtual tour will begin in front of the house as Betsy welcomes you to her home and takes you inside to view her upholstery shop, parlor, and bed chamber.

Curricular Materials

Receive an online folder of materials and activities, designed by educators, connected to Common Core standards, and flexible to be completed before or after your virtual field trip.
