

On January 17<sup>th</sup>, we remember the 315<sup>th</sup> birthday of one of the most famous Philadelphians and the man whom our park was renamed to honor – Benjamin Franklin.

In keeping with Franklin's curiosity, we have created **Franklin's Key Challenge**.

*There are 12 keys hidden throughout the Square. In the box, write down their location.*

*When you find all 12, bring this form to the ticket window to receive a prize.*

*“We do not stop playing because we grow old, we grow old because we stop playing!”*

*— Benjamin Franklin*
